<p data-bbox="99 247 618 317">"Just How Long Can a Long String Be?" Baker, Keith</p> 	<p data-bbox="737 247 1528 464">A small ant asks a bird how long a long string can be. Many varied uses are explored as the bird unwinds the string in answer until the ant decides that a "string's just as long/as I need it to be." The white string leads readers across textured pastel pages until we see the ant on its own small string tree swing.</p> <p data-bbox="737 499 883 533">(One copy)</p>
