

Upper Elementary ADST: Design Thinking - Engineering

Book (Alphabetical by Author)

Summary

“Rosie Revere, Engineer”
Beaty, Andrea

This book tells the tale of Rosie Revere, a young girl who dreams of becoming a great engineer. She creates fantastic inventions with everything from wire and old fans to spray cheese and doll parts. When people laugh at Rosie's gizmos, she'll need help from a special friend to find the courage to follow her dreams.
